Sir/Madam,

Greetings and best wishes from all of us here. We know that you must be busy with the examination and academic activities of the current year.

You may be aware that the B.Ed course with effect from 2015 admission has been extended to two years and in the revised National Curriculum, as well as our University curriculum, the school related practicals also have been enhanced. The school initiatory experience programme of student teachers is purposed from 6th February to 10th February 2017.

Kindly provide them facilities and guidance for conducting the following activities.

1. Team teaching (3 or 4 student teachers as a team conducting a class based on a specific unit for one period).
2. Individual Teaching (Teaching one period in the subject concerned by each students teacher).
3. Observation of 5 lessons of senior teachers in the school. (The report of observation may be countersigned by the teachers concerned).

Let me also thank you heartily for the good will and co-operation shown to our college. Kindly bear the inconveniences.

Thanking you,

Yours faithfully,

PRINCIPAL
